Background

The Civilian Review Board (CRB) is Baltimore City's only independent city agency authorized to investigate and review complaints of police misconduct. The CRB was established in 1999 and its governing statute is Public Local Law (PLL) §§ 16-41-54. The Board is composed of nine civilian members who live in and represent each of Baltimore's nine police districts. Additionally, there are five non-voting members from the American Civil Liberties Union (ACLU), the National Association for the Advancement of Colored People (NAACP), the Fraternal Order of Police (FOP), the Vanguard Justice Society, and a designee of the Police Commissioner of Baltimore City.

The primary mission of the CRB is to provide effective civilian oversight for the City of Baltimore. Civilian Review Board Investigators work to investigate complaints impartially and equitably, and maintain the highest levels of confidentiality and integrity, which is crucial to maintaining public trust. It is the mission of the staff at the Office of Equity and Civil Rights to assist the members of the Civilian Review Board in order to successfully fulfill its mandates under the governing statute.

This report is prepared by the Office of Equity and Civil Rights in response to the requirements of the Consent Decree¹. The purpose of this report is to provide transparency to the public and ensure accuracy in data collection.

¹ ¶ 402 of the Consent Decree states "The OPR and the CRB will separately produce a quarterly public report on misconduct investigations..."

Filing A Complaint

Under the governing statute, PLL § 16-41(b)-(f)(2), the CRB receives complaints of:

- **Excessive Force:** The use of greater physical force than necessary to repel an attacker or terminate resistance.
- **False Arrest:** An arrest made without legal justification.
- **False Imprisonment:** The intentional restriction without legal justification of the freedom of movement of a person who is aware of the restriction and who does not consent.
- **Harassment:** Repeated or unwarranted conduct that is intended to be overtly demeaning, humiliating, mocking, insulting, or belittling; or any conduct that is intended to cause unnecessary physical discomfort or injury.
- **Abusive Language:** The use of remarks intended to be demeaning, humiliating, mocking, insulting, or belittling

Under PLL § 16-41(g), the following law enforcement units are under the CRB's jurisdiction:

- (1) the Police Department of Baltimore City;
- (2) the Baltimore City School Police;
- (3) the Baltimore City Sheriff's Department;
- (4) The Baltimore City Watershed/Environmental Police;
- (5) the Baltimore City Community College Police; or
- (6) the Morgan State Police.

Complaints may be filed at the office of the Civilian Review Board, a police district station, or with the Baltimore City Public Integrity Bureau. Once a complaint is received, it is reviewed for statutory compliance. In order for the Board to have jurisdiction² to investigate a complaint, it must meet the following requirements:

- Complaints must be made on a signed CRB form.
- Complaints must be filed within one year of the incident named in the complaint.
- Allegations within the complaint must be one of the five authorized CRB allegations.
- Allegations within the complaint must be made against a law enforcement agency within CRB's jurisdiction.

[Complaint Form](#)

² Statutory restrictions apply only to the CRB. Complaints of any type involving the Baltimore Police Department may be filed with the Public Integrity Bureau.

The CRB accepts all complaints that fall within its jurisdiction. CRB complaints that are submitted anonymously will be reviewed if there is a signature on the CRB form. To submit an anonymous complaint under the CRB statute, complainants may omit their name and contact information, as long as there is a signature on the form. All completed complaint forms alleging misconduct by the Baltimore Police Department are sent to PIB within 48 hours as required by statute, and submitted to the Board for review. Complaints that PIB receives on signed complaint forms are forwarded to the CRB within 48 hours of their receipt. Unsigned complaints are forwarded to law enforcement agencies on a case by case basis, and only with the express consent of the Complainant.

At its monthly meeting, the Board reviews each complaint and votes on whether to authorize an independent CRB investigation. If authorized, the CRB's independent civilian investigators will conduct a concurrent investigation to that of the internal investigative division. Complaints that are not authorized for CRB investigation are referred to the law enforcement agency for investigation by their investigative division only.

When all authorized investigations are completed, the Board reviews the completed reports and makes a recommendation of findings to the Police Commissioner. In cases where the Board sustains allegations against an officer, the Board will also make a recommendation on discipline for the accused officer. Once a CRB investigation is completed, the Board may also vote for "Further Investigation" if the members feel they need more information. The Board will then review the additional facts and vote to determine their additional recommendations to the Police Commissioner.

Complaints Received from PIB

In addition to CRB receiving complaints from members of the public, PIB notifies CRB of complaints it received that contain CRB eligible allegations. Once CRB receives a notification from PIB, staff reviews it for statutory compliance and contacts the Complainant to inform them of their right to file a complaint with the CRB. In accordance with the statute, the CRB cannot consider the notification to be within jurisdiction until a CRB complaint form is completed and signed.

Additionally, PIB provides the CRB with "PIB Weekly Intake Reports", which list all of the complaints that PIB receives, both internally and from members of the public. This allows CRB staff to review what PIB has received and ensure that every complaint that is CRB eligible is classified accordingly.

For more information on how the CRB collaborates with PIB, please review the [PIB Classification Protocol](#) and the [CRB/OPR Protocol](#).

The numbers are not representative of the activities of the Baltimore Police Department. CRB sends its outcomes to the Baltimore Police Department, which makes decisions about whether to implement CRB's recommendations.¹⁰
