# VOTING ACCESSIBILITY

The Help America Vote Act (HAVA) of 2002 was passed by the United States Congress to make sweeping reforms to the nation's voting process. HAVA addresses improvements to voting systems and voter access that were identified following the 2000 election.

As a Voter with a Disability, you have the right to:

- Vote privately and independently
- Have an accessible polling place with voting machines for voters with disabilities

You may either:

1. Seek assistance from workers at the polling place who have been trained to use the accessible voting machine, or
2. Bring someone to help you vote

You may request your local election officials to tell you about any voting aids, voting assistance, and absentee ballot procedures that are available. Ensure your right to accessible elections. For more information, contact the U.S. Election Assistance Commission By phone at 866-747-1471 or by email at [clearinghouse@eac.gov](mailto:clearinghouse@eac.gov).
